6. Measurement and Signature Intelligence (MASINT): On 31 December 1985, the D/ICS, with the concurrence of the DCI, tasked the CIPC to review the present status of the MASINT Subcommittee and provide the DCI a recommendation on whether or not MASINT should be elevated to a separate DCI collection committee. This effort is essentially completed, and we plan to provide the DCI the committee's recommendation before the end of January.
